

Message from "Go Global" Assistant, Alice / SOAS University of London

Hi everyone! My name is Alice, and I am from England.

I am an exchange student from the University of London, SOAS and I am here in Kyoto for a year to study Japanese. I am very happy to be here and enjoying my time in Japan learning more about the culture and history as well as improving my Japanese!

Please feel free to come and talk to me about going on an exchange trip or anything else you need advice on. I will be in the Learners Common every Monday from 12:30-14:30. I look forward to meeting you!
