

AY2018-2019

Doshisha University

Student Exchange Program

(for Period A Additional/Period B)

Interview by International Center

Applicants for the partner institutions located in following countries are to take the interview by International Center. This interview is held due to the security situation in the country and/or Doshisha's previous history of student exchange with that institution, and for the purpose of confirming the applicant's motivation and plan to study at the institution.
