Damoni Linen

Amherst College
U.S.A.

My name is Damoni (ダマニ), and I am an international student from Amherst College in Massachusetts, USA, but I grew up in the Bronx, New York. I am majoring in computer science and mathematics, and I have been studying Japanese for four years. While at Doshisha, I hope to learn more about Japanese language and culture. My hobbies are cooking and playing volleyball. I wanted to become a GGA because I enjoy meeting new people and want to support students who are considering studying abroad. I hope to answer your questions and share my own experiences and advice to make your study-abroad journey a little easier. Please stop by and say hello!
