Hello! My name is Eli (イーライ) and I'm a second-year student from the University of Leeds in England studying Japanese and Chinese. I enjoy reading manga, watching anime, baking sweet treats and travelling. Whilst on my exchange here at Doshisha, I hope to travel to lots of places, try lots of new things, and make lots of memories. Studying abroad is one of the most exciting opportunities you get offered at university. If you have any questions about life in England, the University of Leeds, or even just nothing in particular, don't hesitate to ask!
