

## Submission of IELTS Score Report and TOEFL iBT Score Report

When submitting documents during the “Document Submission” period, you are generally required to submit a copy of your paper-based score report for both IELTS and TOEFL iBT that meets the requirements outlined below.

-Some testing organizations may require you to request the issuance of paper-based score report by mail either at the time of test registration or by a specified deadline. Please check the procedure in advance. Additionally, since it may take some time to receive the score report by mail, please ensure that you obtain it by the “Document Submission” deadline.

-If it is not possible to obtain a paper-based score report due to unavoidable circumstances, a downloadable score report is acceptable for the internal screening process at Doshisha University. However, please note that when officially applying to the host university after passing the internal screening, the host university may not accept the downloadable score report. In such cases, your study abroad may be canceled, so please be aware of this in advance.

### 【IELTS Score】

A score report that is stamped on both the “Validation stamp” and the “Centre stamp” is accepted.
