Luke Christopher Delaney

Dublin City University
Ireland

Hi, I'm Luke, a 4th year Japanese translation student from Dublin City University in Ireland currently on exchange here in Doshisha University in Kyoto. I'm a big fan of many types of Japanese media such as games, manga, music and more so feel free to share your recommendations with me! I look forward to being able to help with any questions you might have about studying abroad or what living in Ireland is like so please feel free to ask!
