Nele Kumpmann

Heinrich Heine U. Germany

On Duty Monday

14:30-16:30

" Hi everyone! I'm Nele, a third-year student of transculturality from Germany. Right now I'm studying Japanese here at Doshisha, but I've also been to Canada for one semester when I was in high school. So, if you are thinking about going abroad and have any questions, please come over and let's have a chat!"
