

VIRTUAL EXPLORING SOCIAL INNOVATION

Feb 8-16, 2022 (Asia Time) | Feb 7-15, 2022 (US Time)

COURSE OVERVIEW

The Exploring Social Innovation (ESI) virtual course convenes a diverse cohort of 12-20 university students and young professionals from across Asia and the US for an intensive 9-day exploration of social challenges and innovative solutions. Through virtual discussions, presentations, workshops, group projects, individual reflection and exploration assignments, and an engaging online platform, participants will build connections across cultures and explore their own potential as leaders and social innovators.

PARTICIPANT LEARNING OBJECTIVES

Explore the social innovation field and paths to becoming an innovator

Gain hands-on experience with innovation tools, including design-thinking

Enhance intercultural communication, collaboration, and presentation skills

Accelerate personal and professional growth through peer and expert mentorship

Join a community of young changemakers in the US and Asia

Leveraging over 57 years of experience in transformative intercultural experiential learning, VIA inspires and empowers emerging leaders seeking to create positive social impact.
